

DIY - PENCIL & COLOR ORGANIZER

Let's be creative and make a holder to keep our pencils, colors & pens.

Follows the steps as shown below.

Gather 3 toilet rolls/ paper towel etc.

Get one cardboard or thick paper.

Wrap colored cloth or paper around the rolls and make some designs over them.

Use the thick paper as a base, and stick the rolls over it with the help of glue.

Some Ideas for your creation:

1. Decorate them with ice-cream sticks.
2. Decorate them with stickers.
3. Write nice messages on your pencil holder.

DIY - Paper Spinner

Make your own Paper spinner and have fun while playing with it.

| Material required |
|-------------------------|
| twine or thick thread |
| cardboard |
| paper (cut into circle) |
| markers |
| scissors |
| glue stick |

| Instructions |
|--|
| draw and cut out two paper circles. |
| decorate/color these circles as you want. |
| trace it on cardboard and cut two circles. |
| glue on paper circles to the cardboard. |
| poke two holes in the center of the circle. |
| take thread/rope/twine.Run it through the holes and tie a knot . |

Spin it and have fun playing with your paper spinner.If you spin it right you might hear a humming sound too.

DIY - BUBBLE SOLUTION

Blowing bubble is fun, let's make bubble solution at home.

| You need |
|-----------------------------|
| 4 cups of warm water |
| 1/2 cup of sugar |
| 1/2 cup of liquid dish soap |
| A jar |

| Instructions |
|---|
| pour water into a big jar. |
| add sugar and stir until fully dissolved. |
| add dish soap and stir slowly with stirrer. |
| let it sit for few hours/one day. |
| have fun making bubbles . |

Powerful wall piece

Let's make a powerful wall piece for your room wall. Some ideas have been given below. Feel free to use them and create your own wall piece.

- 1 Cut the above given rectangular shape and paste it on a cardboard of the same size.
- 2 Colour and decorate the wall piece.
- 3 Use thread or string to hang it.
- 4 Your wall piece is ready.

Cut and create

Print the template given below. Cut and fold it as per the instructions. Wow! You have created an elephant of your own.
